## MARIETTA DAILY LEADER

FRIDAY, SEPT. 4, 1896

### PERSONAL AND LOCAL.

—The management of the Fair came  
in last night to say that the balloon  
would go up today at 2 o'clock, rain or  
shine—goats and all. The ascension  
might have been made yesterday had  
the aeronaut and his helpers got at  
their work sooner. It would be down-  
right refreshing to see a thing of this  
kind occur on time.

—Gen. Dawes met with an accident  
yesterday afternoon while in front of  
his house on his tricycle. In backing  
the machine, it overturned and the  
General struck the pavement so that his  
left shoulder was dislocated. The  
General stood the operation of return-  
ing the joint to place very well, and is  
getting along nicely.

—Cards of invitation have been re-  
ceived by friends in this city, asking  
them to be present at the marriage of  
Miss Mary Humes, formerly of Mari-  
etta, now of Urbana, to Mr. L. G.  
Brown. Miss Hume's friends will be  
happy to extend congratulations.

—Tim Penwell, of the National Sup-  
ply company, Sistersville, is spending  
a two weeks' vacation with his parents  
in this city.

—Special sale of gents' working  
shirts all this week at Bee Hive.

—S. A. D. Walters, a Caldwell drug-  
gist, assigned Wednesday to Attorney  
H. W. Kuntz. Assets and liabilities  
unknown.

—Inspectors Maddy and Morgan  
were compelled to take one man's li-  
cense away from him for life Tuesday.  
He is one of the best of engineers, but  
seems unable to control his appetite  
for liquor. There are others running  
on boats out of this port who will be  
looked after later. Our inspectors  
mean business and are to be congratu-  
lated on the course they are pursuing.  
People's lives should not be risked  
with drunken crews.—Gallipolis Trib-  
une.

—The Mariettas will play the Buck-  
shoes of Zanesville at Riverview Park  
Sunday, Sept. 8th. The Z. & O. R. Ry.  
to accommodate the Marietta "fans"  
will run a special train. Round trip,  
\$1.25, including admission to game.

—All members of Buell Post, G. A.  
B., are earnestly requested to meet to-  
night, as business of great importance  
is to be transacted.

—The pony drawing will take place  
at the Fair Grounds today.

—Walter Lawrence, aged 5 years,  
died of membranous croup at the home  
of his father, Henry Lawrence, Sixth  
street. Funeral from residence Friday  
afternoon at three o'clock.

—Special opening of pattern hats at  
Bee Hive Store.

—Barlow Bros.' Minstrels opened the  
season at the Auditorium last night  
and drew a fine audience. The com-  
pany is well balanced and presents an  
entertainment that is appreciated by  
the most exacting. The work of Mr.  
Harry Ward, the next "President of  
Minstrelsy," was especially acceptable  
and the singing was all good. The en-  
tertainment will be repeated tonight.

—The Marietta team met grim,  
gaunt-eyed defeat at Barnesville Thurs-  
day after they had practically won the  
game. In the seventh inning the  
score stood 7 to 0 in Marietta's favor,  
when Purcell seemed to lose his grip  
and Barnesville pounded out nine runs.  
Blough was substituted and the Mari-  
ettas tried hard to overcome the slump,  
but the final score was 12 to 9 in favor  
of Barnesville. McGinnis pitched for  
Barnesville and allowed Marietta 11  
hits.

—The Warren M. E. church will give  
a social at the home of Mr. and Mrs. D.  
M. Robison, Sept. 11th, afternoon and  
evening. All invited.

—Parkersburg defeated Nelsonville  
Thursday by a score of 13 to 9.

—Col. A. W. McCormick returned to  
Cincinnati at 11:25 last night.

—Just receiving a lot of pattern hats  
which can be seen today at Bee Hive.

—The Comrades of the 77th O. V. V. I.  
tendered a vote of thanks Thursday  
evening to Buell Post G. A. B. for the  
use of their hall for the 24th annual re-  
union.

—In Newport township Tuesday the  
residence of William Crumley was de-  
stroyed by fire resulting from a defect-  
ive flue.

—Miss Stella Nixon leaves today for  
Cleveland on a business trip.

—The county fair this year boasts a  
"Midway Plaisance" attraction.

—Mrs. Caleb Thorniley, of Sand Hill,  
is visiting her sister, Mrs. Isaac Talbot,  
this week.

—Miss Mary Rose, of Coal Run, was  
the guest of relatives in the city Thurs-  
day.

—An old gentleman named Smith  
was robbed of his trousers at the Brad-  
ford House last night. The garment  
contained \$40 in money.

—Mrs. L. P. Heston and son left  
Thursday morning for Pittsburgh, after  
a pleasant visit with her mother, Mrs.  
D. H. Young. They were accompanied  
by Miss Bertha Young, who will spend  
a few days in the Smoky City.

—E. Frank Gates has been appointed  
inspector of the new sewer work.

—Don't miss seeing the pattern hats  
today at Bee Hive.

—Deputy U. S. Marshal W. E. Mason  
was down from Columbus Thursday  
assisting Brother McKinney, of the  
Times, in running the Democratic Coun-  
ty convention.

—M. G. Cole has accepted a position  
with the Standard Oil Company and  
left Thursday for Bluefield, W. Va., to  
begin his work.

—Special sale all this week at Bee  
Hive.

—Mr. Thomas Fisher, of Elba, was in  
the city on business Thursday.

—In Probate Court Thursday a mar-  
riage license was issued to Stephen M.  
Root, aged 64, and Elizabeth Nuzum,  
aged 60, both of Belpre.

—Special prices all this week on  
shirtwaists, hosiery, underwear, towels  
and toweling at Bee Hive.

### Oil Notes.

The latest from the Fisher Oil Com-  
pany's well at Benwood, Monroe  
county, is to the effect that the salt  
water is diminishing and the oil in-  
creasing, until the production is now  
over 100 barrels. All the available ter-  
ritory in the near vicinity is under  
lease and big figures are asked for it.

Two thousand feet southeast of the  
Dye well Forst & Brown have drilled  
in on J. J. Holdren and have a fair  
showing.

The Wheeling Gas Company have  
started a new well on the R. F. Riggs  
farm on the West Virginia side near  
Raven Rock, the tools having been lost  
in the first hole and abandoned.

The well on Goddard, three miles  
from Cutler, is in and dry at a depth of  
1800 feet.

The Bizantz & Buckley well at Tun-  
nel struck a heavy flow of gas Thurs-  
day morning and the derrick was  
burned, causing a loss of about \$1,000.

The Pennsboro Lever has this to say  
of the Cairo well: "The well is variously  
estimated as to production, every-  
body is excited in that section, the well  
is rated high and so is territory. There  
is no question but that it will boom  
that section and development will  
take on new life and everybody living  
in that locality, in his estimation will  
be an oil king. It is hoped that the  
fondest anticipations may be realized.  
But oil booms and strikes are both un-  
certain, while one may collapse, the  
other may not hit. Everybody in  
Ritchie county will be benefitted if the  
strike shall prove a substantial one."

Electric Bitters is a medicine suited  
for any season, but perhaps more gen-  
erally needed, when the languid ex-  
hausted feeling prevails, when the  
liver is torpid and sluggish and the  
need of a tonic and alterative is felt.  
A prompt use of this medicine has  
often averted long and perhaps fatal  
bilious fevers. No medicine will act  
more surely in counteracting and free-  
ing the system from the malarial  
poison. Headache, indigestion, consti-  
pation, dizziness yield to Electric  
Bitters. 50c and \$1.00 per bottle at  
Styer's Drug Store.

### The Fair.

Thursday's attendance was the large-  
st for many years and at least 6000  
people were on the grounds. The  
number of tickets sold at the gate was  
above 4900 and the receipts from this  
source exceeded \$1100. Owing to the  
wind Prof. Easley was unable to make  
his balloon ascension, but the races  
and other attractions were good, and  
notwithstanding the drizzling rain the  
crowd went away well satisfied.

Following is the result of the races:

2:40 MIXED.

Mary C. first, Billy H. second, Ar-  
chie S. third, Newport Jim fourth.  
Best time, 2:26 1/4.

2:20 and 2:24 MIXED.

Philbert first, Acme Girl second,  
Whirlwind third, Big York fourth.  
Best time 2:22 1/4.

### HALF MILE RUNNING.

Holly Wood first, Red Cross second.  
Best time, .51.

### Marvelous Results.

From a letter written by Rev. J.  
Gunderman, of Dimondale, Mich., we  
are permitted to make this extract: "I  
have no hesitation in recommending  
Dr. King's New Discovery, as the re-  
sults were almost marvelous in the case  
of my wife. While I was pastor of the  
Baptist Church at Rives Junction she  
was brought down with Pneumonia  
succeeding La Grippe. Terrible parox-  
ysms of coughing would last for hours  
with little interruption and it seemed  
as if she could not survive them. A  
friend recommended Dr. King's New  
Discovery; it was quick in its work  
and highly satisfactory in results." Trial  
bottles free at W. H. Styer's  
Drug Store. Regular size 50c and \$1.00

## A DETECTIVE'S STORY.

A Two Years' Conflict With a  
Mortal Enemy—Sleepless  
Nights and Weary  
Days—Relief at  
Last.

From Buffalo News.  
Mr. Chas. W. Marsh, ex-Deputy  
Sheriff, and now following the profes-  
sion of private detective, resides at 25  
Bremen street, Buffalo, N. Y. Mr.  
Marsh has had many wonderful expe-  
riences, but none have caused him so  
much trouble and never was relief more  
welcome than in the case he relates  
here. He says:

"For about two years I suffered at  
times most intensely with kidney com-  
plaint; the pain across the small of my  
back was almost unendurable. I have  
thought my only relief would be at the  
hospital. At first I always seemed to  
be worse and unable to get my natural  
sleep. I have much walking to do,  
and often came home feeling so sick  
and weary that I could not eat my  
meals. My head ached incessantly. I  
have despaired time and again of get-  
ting relief. Happening to see an ad-  
vertisement in the Buffalo papers of  
Doan's Kidney Pills, I thought they  
might help me, although I sometimes  
believed my trouble to be of rheumatic  
origin. I got some of the kidney pills,  
and after the first box I noticed a de-  
cided change. I continued their use,  
and I am happy to say that to-day I am  
a well man, the headache has entirely  
disappeared, my back is stronger and  
the pain has left it. At the present  
time I am engaged in detective work,  
involving a great deal of walking; still  
I am able to lie down to rest at night,  
feeling free from the aches and pains  
that formerly made my life miserable,  
rising in the morning refreshed from  
the natural sleep. I would like to tell  
the many sufferers, such as I have been,  
what a valuable remedy they will find  
in Doan's Kidney Pills. I write to you,  
the proprietors of Doan's Kidney Pills,  
to acknowledge their merit, and feel  
that I cannot say enough in praise of  
them. You are at liberty to use this  
letter in any way you choose. Even  
then it will be a small way indeed of  
showing my gratitude and my wish  
that others should benefit likewise."  
Doan's Kidney Pills are sold by all  
dealers. Price 50 cents per box, or six  
boxes for \$2.50. Sent by mail on re-  
ceipt of price. Foster-Milburn Co., sole  
agents for the U. S., Buffalo, N. Y.

in a nutshell.  
Let us all be thankful that the finan-  
cial question has at last been finally  
settled.

It is so easy that anybody might have  
done it.

All that is needed is that the govern-  
ment of the United States shall  
agree to pay \$1.20 to anyone who will  
bring it 60 cents' worth of silver.

If this is done our financial troubles  
will immediately disappear. Prices will  
advance. Wages will go up. Everybody  
will have plenty of money. We shall  
have at once the only perfect financial  
monetary system known in history.

The age of miracles is not past.—  
N. Y. World.

Often effects the sale of goods; but we prefer to submit facts rather  
than bluster to people whose trade we seek.

It is a fact that we are selling goods cheaper than any competitor;  
we do not mean to say this in a blustering or blowing way. All we  
ask is your careful inspection of our goods and that will be proof  
enough itself.
